Meeting Minutes

President Ryan Jilek called meeting to order with 6 members present: Jeff Klemm, Marve Runge, Barry Braun, Carl Stroh, Don Muth, and Ryan Jilek.

Minutes from Last Meeting

Ryan recapped last year's activities and went through the minutes from our last meeting.

Marv motioned to accept the minutes.

Jeff seconded the motion.

Motion passed.

Financial Statement

Unavailable for this meeting – no action taken

Old Business:

New Field

Prints were presented from Kadrmas, Lee & Jackson of the proposed field location. Using these scale prints we discussed possible layouts and designs for our new field. Ryan will try and schedule a meeting with James from Parks & Recreation to discuss the plan and where we need to go from here. We will need to discuss roles and responsibilities as well as find out what outside assistance we can procure for the move. No formal action taken.

New Business:

Spring Field Day

We discussed the spring field day and that with the lack of moisture there was no need to try and work on the grass and runways by fertilizing or dragging. We will address those issues as needed if we get some moisture.

Tables and flight tables will need to be painted this year. We will see if we can get some paint either donated or cheap from Newby's

Mower Maintenance

Carl brought up that the mower needs a good general tune-up. Don made a motion to take the mower to the local John Deere dealer for their spring tune-up special and get it checked out.

Jeff seconded the motion.

Motion Passed.

Mower Trailer

It was discussed that the trailer for the mower would be much more convenient to use if it has a two inch ball versus the current 1- 7/8 inch ball. Barry motioned to have it replaced and indicated he would be willing to do the work and possibly weld the new one on.

Don seconded the motion.

Motion Passed.

Other Business:

Clubs Videos and PA System

Marv indicated that Clint (from the former hobby shop) had been storing and housing some of the clubs possessions there including past videos of funfly's and instructional videos, etc. as well as one of the small public address systems that the club owns. Ryan said he will call Justin and see if he can get a hold of Clint and find out the status of these.

Don made a motion to adjourn.

Marv seconded the motion.

Meeting Adjourned.
